FEC FORM 1

(revised 4/87)

INSTRUCTIONS FOR PREPARING FEC FORM 1

LINE 1 Print or type full name and mailing address of the committee. The name of a principal campaign committee or other authorized committee must include the name of the candidate who authorized the committee. A political committee which is not an authorized committee can not include the name of any candidate in its name, except that a delegate committee must include the word "delegate(s)" in its name and may also include the name of the presidential candidate which it supports. A political committee established solely to draft an individual or to encourage an individual to become a candidate may include the name of the individual in the name of the committee, provided the committee's name clearly indicates that it is a draft committee. The name of a separate segregated fund must include the full name of its connected organization. Any abbreviation or acronym used by the fund must also be reported.

LINE 2 State the date the group or organization became a political committee. If this filing is an amendment, note the date of the change in information.

LINE 3 Only committees which have previously filed a Statement of Organization should fill in this block with the number which was originally assigned to the committee. All new committees will be assigned identification numbers when the completed statement has been received.

LINE 4 All political committees registering for the first time check "NO". Committees which have previously filed FEC FORM 1 and are now submitting changes or corrections check "YES". If "YES" is checked, complete Lines 1 through 4. With respect to Lines 5–9 include only the changes(s) in information previously submitted. Committees are reminded that any change or correction in the information previously filed in the Statement of Organization shall be reported no later than 10 days following the date of the change or correction.

LINE 5 Check and fill out ONE of the six sections as follows:

(a) All principal campaign committees check (a) and fill in the corresponding information for the candidate under (b).

(b) All other authorized committees check (b) and fill in the corresponding information for the candidate.

(c) A committee supporting/opposing a single Federal candidate which is not authorized by a candidate checks (c), and includes the candidate's name on the line provided. Delegate and draft committees must check (c), and provide the name of the candidate supported.

(d) All national, State and subordinate committees of a political party check (d) and fill in the corresponding information.

(e) All separate segregated funds check (e). A separate segregated fund is a political committee established, financed, maintained, or controlled by a corporation, labor organization, membership organization, cooperative or trade association.

(f) A committee supporting/opposing more than one Federal candidate and which is not a separate segregated fund or a political party committee checks box (f).

All joint fundraising representatives check (f). A committee established to act as a joint fundraising representative is a political committee selected or established by joint fundraising participants as the committee responsible for keeping joint fundraising records, allocating proceeds and expenses among participants and reporting the overall financial activity of the fundraiser.

LINE 6 Political committees must list all affiliated committees and connected organizations (defined below) as follows:

- Principal campaign committees list all other committees authorized by the same candidate. Under "Relationship," write "affiliated."
- Political committees authorized by the same

candidate (other than the principal campaign committee) list the principal campaign committee authorized by the same candidate. Under "Relationship," write "affiliated."

- Political committees which have been established, financed, maintained, or controlled by the highest level parent organization (i.e., the corporation, labor organization, membership organization, cooperative or trade association) list:

(a) The name of the parent organization. Under "Relationship," write "connected," AND

(b) The name of any other political committee(s) established, financed, maintained, or controlled by the same parent organization or by a subsidiary, branch, or State, local, or other subordinate unit of the same parent organization. Under "Relationship," write "affiliated."

- Political committees which have been established, financed, maintained, or controlled by a subsidiary, branch, or State, local, or other subordinate unit of an organization list:

(a) The name of the subsidiary branch, or State, local, or other subordinate unit and the name of the parent organization of which it is a part. Under "Relationship," write "connected," AND

(b) The name of the highest level political committee sponsored by the parent organization. Under "Relationship," write "affiliated."

- State, party committees list any subordinate committees (i.e., any county, district or local committee) under the control or direction of the State committee. Under "Relationship," write "affiliated." (See 11 C.F.R. 110.3(b).)

- Subordinate State party committees list the State party committee. Under "Relationship," write "affiliated." (See 11 C.F.R. 110.3(b).)

- Joint fundraising representatives list all the political committees participating in the joint fundraising effort. Under "Relationship," write "joint fundraising participant."

- Joint fundraising participants list the committee established to act as the joint fundraising representative. Under "Relationship," write "joint fundraising representative."

Separate segregated funds must check the most appropriate box for the type of "connected organization."

NOTE: The term "connected organization" means any organization which is not a political committee but which directly or indirectly establishes, administers, or financially supports a political committee. A connected organization may be a corporation (including a corporation without capital stock), a labor organization, a membership organization, a cooperative, or a trade association. The definition of "affiliated committee" is contained at 11 C.F.R. 100.5(g).

LINE 7 The name, address, and committee position or the title of custodian of the committee's books and records must be entered on Line 7. The telephone number is optional, but is helpful in expeditiously resolving potential filing problems. If the treasurer is the custodian of records, the term "treasurer" is sufficient for Line 7.

LINE 8 The name and address of the committee's treasurer must be entered on Line 8. The name and address of any designated agent (e.g., assistant treasurer) must also be included on Line 8. Every political committee must have a treasurer and may designate an assistant treasurer who shall assume the duties and responsibilities of the treasurer, in the event the treasurer is unavailable. The Commission recommends that each political committee designate an assistant treasurer because no contribution or expenditure may be accepted or made by or on behalf of a political

committee at a time when there is a vacancy in the office of the treasurer. No expenditure may be made for or on behalf of a political committee without the authorization of its treasurer or another agent authorized orally or in writing by the treasurer.

LINE 9 The committee must provide the name and mailing address of any bank, repository, or depository where the committee holds funds. Each political committee must have a checking account or transaction account at one of its depositories. All receipts of a political committee must be deposited into a designated campaign depository. All disbursements must be made by check or similar drafts drawn on an account at a designated campaign depository, except for expenditures of \$100 or less made from a petty cash fund.

TREASURER'S RESPONSIBILITIES

The treasurer of the political committee must preserve a copy of the Statement of Organization and each amendment for a period of not less than 3 years after the date of filing. The treasurer of the political committee is personally responsible for the timely and complete filing of this Statement and for the accuracy of any information contained in it.
